A stockholder who owns or jointly owns Class C Common Stock is deemed to reside where the individual designated to vote the Class C Common Stock of the stockholder maintains his or her primary residence, and the farm operations of a candidate is deemed headquartered at the mailing address of record on file with the Association. Each stockholder who neither resides nor has such stockholder's farm operations headquartered in the Association's chartered territory shall be treated as residing in the Nominating Region where the branch servicing the stockholder's loan is located, but such stockholder is not eligible to serve as a Stockholder-Elected Director or member of the Nominating Committee.

Nominees for each Nominating Committee position and At-Large position on the 2025 Nominating Committee have also been selected by the Nominating Committee to serve for a one-year term as identified in this Information Statement. The Nominating Committee is composed of twelve (12) stockholders who own or jointly own Class C Common Stock of the Association. Also, an individual designated to vote the Class C Common Stock held by a stockholder may serve as a member of the Nominating Committee so long as that individual meets all of the other requirements for serving on the Nominating Committee. However, only one stockholder jointly sharing ownership of the Class C Common Stock of the Association may seek the opportunity to serve on the Nominating Committee within an election

cycle, and that individual is not required to be designated to cast votes on behalf of all the stockholders sharing ownership of the Class C Common Stock.

Of the twelve (12) members of the Nominating Committee, one (1) is designated for each of the ten (10) Nominating Regions and two (2) are At-Large positions. In order to stand for election as a member of the Nominating Committee, the candidate must be a resident of, or have the candidate's farm operations headquartered in, the Nominating Region corresponding to such position. In the case of the At-Large positions, the candidate must be a resident, or have the candidate's farm operations headquartered, anywhere within the territory of the Association. A member of the Nominating Committee is eligible to be elected to serve as a member of the Nominating Committee for up to four (4) consecutive one-year terms.

Additional nominations for Stockholder-Elected Director and Nominating Committee positions may be made from the floor at the Annual Meeting. Each nomination from the floor must be an eligible and qualified candidate who complies with the Nominating Region requirements to which the position is assigned. Each nominee must be a stockholder that owns or jointly owns the Class C Common Stock or an individual designated in accordance with the bylaws to vote the Class C Common Stock held by a voting stockholder. Nominators must be voting stockholders or individuals designated in accordance with the bylaws to vote the Class C Common Stock held by a voting stockholder. The floor nominee must be present during the Annual Meeting to state whether he or she accepts the nomination. Nominations from the floor do not require a "second" before being placed on a ballot, although the chairman conducting the meeting, in his sole discretion, may permit voting stockholders to second a nomination to show support. Upon receiving a floor nomination, the Annual Meeting process will be stopped until initial eligibility is determined. After initial eligibility is determined, the meeting will proceed.

Following the Annual Meeting, the Association shall as necessary conduct additional due diligence to determine if each nominee meets all the eligibility requirements. Each nominee for a Stockholder-Elected Director position is responsible for providing in paper or electronic form such nominee's biographical and disclosure information no later than three (3) business days after the nomination. Disclosure information forms will be available at the Association's corporate office for any potential floor nominee consideration and at the Annual Meeting. In the event a nominee's biographical and disclosure information is not received in proper form by the Association before the expiration of such three (3) business day period, the nominee shall be removed from the ballot. Nominees meeting all eligibility requirements will be placed on the ballot mailed to the voting stockholders after the conclusion of the Annual Meeting.

No nominee may be nominated or elected if such nominee's service is prohibited by regulations of the Farm Credit Administration (FCA) or the bylaws of the Association. For example: (i) current directors, salaried officers, and employees and agents of the Association are not eligible to serve on the Nominating Committee; (ii) a Nominating Committee candidate may not be a candidate for election as a Stockholder-Elected Director in the election which the Nominating Committee is identifying nominees; (iii) a salaried officer or an employee of the Association or of any other organization within the Farm Credit System is not eligible to be elected as a Stockholder-Elected Director or a member of the Nominating Committee, and a former salaried officer or employee is not eligible to be elected to either position within one (1) year after ceasing to be so employed; and (iv) a nominee is not eligible to serve as a Stockholder-Elected Director if such individual is a party to a loan which is or becomes classified adversely and the nominee has not, within sixty days of receiving written notice of such classification, developed a written plan satisfactory to the Board, to upgrade the loan to an acceptable classification within a reasonable period of time.

Additionally, without the prior discretionary approval of the Board, no individual is eligible to be nominated to serve as a Stockholder-Elected Director or member of the Nominating Committee if the individual serves as any of the following for any non-Farm Credit System financial institution which is authorized to make the same types of loans that are or may be made by this Association: (i) officer, (ii) employee, (iii) director, or (iv) member of any committee whose function, in whole or in part, is to consider the marketing, policies, lending, operations, or other competitive activities of the financial institution.

Also, no person shall be nominated to serve as a Stockholder-Elected Director or a member of the Nominating Committee if that person is the spouse, parent, sibling, natural or adopted child, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law or daughter-in-law, or otherwise qualifies as a family member under FCA's standard of conduct regulations, of a: (i) director of the Association, (ii) nominee for election to the Board, (iii) member of the Nominating Committee, (iv) nominee for election to the Nominating Committee, or (v) salaried officer of the Association.

No individual who is seventy (70) years of age or older on December 31st of the year preceding the date of election is eligible to be nominated as a Stockholder-Elected Director, but a Stockholder-Elected Director serving at the time of his or her seventieth birthday may complete such director's then current term.

The term of each Stockholder-Elected Director is four (4) years. No individual may serve more than sixteen (16) consecutive years of service as a director of the Association; provided however, in determining the number of consecutive years of service, such director's consecutive years of service as a member of the Board of Directors of either Cape Fear Farm Credit, ACA or this Association immediately prior to the merger of those associations (the "Effective Date") shall be included in calculating the sixteen (16) consecutive years of service. Notwithstanding the foregoing, any director at the Effective Date is eligible to serve no less than two (2) additional four-year terms after the conclusion of the term such director is serving as of the Effective Date.

STOCKHOLDER VOTING RIGHTS

Each voting stockholder shall be entitled to one vote regardless of the number of single or joint loans such voting stockholder may have with the Association. In the case of joint loans, the vote may be cast by only one of the joint holders designated and duly authorized by the other joint holder(s) in a writing filed with the Association. The vote of a voting stockholder that is a legal entity may be cast by an

individual equity owner or officer of the entity, designated and duly authorized in a writing filed with the Association. In no event may a voting stockholder vote more than once for each position, nor will any voting stockholder be entitled to cumulate votes.

Voting for Stockholder-Elected Director and Nominating Committee positions will be held by mail ballot following the conclusion of the Annual Meeting. The election with respect to each position will be conducted independently. Each voting stockholder as of the Record Date, regardless of the location of the residence of the voting stockholder, is entitled to vote for each Stockholder-Elected Director and Nominating Committee position.

The mail ballots will be tabulated by an independent third party, Survey and Ballot Systems, who will be responsible for validating ballots and tabulating the voting results in accordance with FCA regulations and the Association’s bylaws. The candidate receiving the largest number of votes for each position shall be declared elected. If no person is elected to a position because of a tie vote, the tie vote may be broken by a “flip of a coin” or any other impartial method approved by the Board.
